WELCOME 2022!

FROM THE PRESIDENT

I would like to take this opportunity of welcoming new and old members to the 2022 season at Woodford Golf Club. From talking with the committee for this year, we are all enthusiastic about the future of the club and the exciting projects that are planned for the year. Last year was a wonderfully successful year for the club, despite all the challenges that Covid presented. Many projects were completed on and off the course. Some were very visible, such as our new bunkers, paths and tee signage; but also projects that weren't so glamorous ie. the new sewage plumbing, new town water line, security camera installation and club house security lighting.

Thank you to all the staff at the club - from our grounds staff, golf operations team, Julie and Ray, bar team and admin team - you have all done a fantastic job and I am look forward to being part of this team throughout 2022. We are fortunate to have so many amazing volunteers, who have been integral to improving the club facilities and grounds. Your efforts in 2021 were much appreciated and I'm looking forward to working together with you on projects for 2022.

I would encourage everyone to volunteer in some way to grow the club. You would be amazed at how just a few hours a month can make such a huge change to our club. A morning weeding, painting, selling raffle tickets, attending a zone meeting, organizing a team, being part of a committee, preparing a presentation day, can all make a vast difference. I know, from my own experience, that great pleasure and personal pride can be found when you make even a small difference within a community organisation.

WELCOME 2022 CONT.

This is your club! It is a fabulous country course within a community of wonderful members. Remember to be kind to one another as we approach the challenges of the New Year. Covid will no doubt continue to alter the way the club operates. We all need to work together to manage these changes within an environment of care and consideration for each other.

Embrace the opportunity to be part of the best country golf club in 2022 - Happy golfing!

Thank you,
Andre Le Huray

HITCHENS WINS MEDAL OF MEDALS

Jared Hitchens has taken out the 2021 Medal of Medals Championship. The last honour board event of the year was played on Saturday the 4th of December.

Hitchens recorded a score of nett 69 to win the Medal of Medals by 2 strokes over Thomas Bakker. Well done Jared!

FROM THE GOLF SHOP

It's been a fantastic year in the golf shop and Woodford Golf Club wants to thank all the members who have supported the golf shop over 2022. Without your support, we wouldn't have been able to raise additional funds to complete or at least plan for capital projects.

The anniversary logo head covers have arrived and there are only 20 left so if you would like a limited edition headcover, let the golf shop staff know. A few different styles of Sporte Leisure shirts have arrived too which may suite your taste.

On a sader note, we say good bye to our Golf Operations Manager Anna. We wish her all the best and we hope that everyone makes the incoming manager feel welcome when they become appointed.
