SHEEHAN & HUET COMBINE TO TAKE OUT FOURSOMES CHAMPIONSHIP

Congratulations to Daniel Sheehan and Chris Huet on winning the 2020 Mens Foursomes Championship by 3 shots over Ryan and Chris Walk. The boys had a shaky start by blowing out to 3 over through the initial 6 holes but fought back to finish the first 18 at even par. The pair then had a fantastic final 9 holes of 4 under to finish 3 shots clear of the Walk brothers. Dan and Chris were 4 shots behind after the first 18th with Troy Edwards and David Tones firing a sizzling 4 under 68. However, Edwards and Tones couldnt quite finish the tournament off and dropped a few shots in their last 9 holes.

This year was the strongest foursomes field we've had for a while with 73 teams competing in the event.

Internet access because it cost too much haha!

A REMINDER TO ALL PLAYERS COVID-19 GOLF OPERATION PROTOCOL

Woodford Golf Club complies with the following Local Rules, namely:

- The pool noodles will again be placed in all holes and flags are to remain in the hole at all times.
- Flags are not to be touched at any time.
- The player only must retrieve his/her ball from the hole.
- Players must mark their own scorecard and receive verbal confirmation from their playing partner
- All rakes will be removed from bunkers with a preferred lie of one card length, and place in the bunker.
- Sand buckets are still in play but will be sanitised.
- NTP's will be in play but Hand sanitiser is provided.
- All ball washers and water taps will be taken out of use

To enable us to comply with our COVID-19 Safe Plan we need to follow these recommendations from Golf Australia and whilst this may seem to be a backward step for our club the recent Coronavirus cases in South East Queensland have prompted this action, and we are keen to keep our members safe at all times.

GRIFFIN & EDWARDS WIN MIXED FOURSOMES!

Congratulations to Troy Edwards and Bridgette Griffin on winning the 2020 Mixed Foursomes Championships! This event was decided in an 18 hole play off against Alison Fisher and Darren Smith where both teams managed to finish on 119 gross for the 27 holes. However, both Edwards and Griffin gelled well in the play off to win by 1 shot. Also, well done to Dave Gorrie and Elva Cumner on winning the nett by 6 shots with a score of 100.5.

SWING TIPS TO TRANSFORM YOUR GAME

Left Arm is Straight Throughout the Backswing

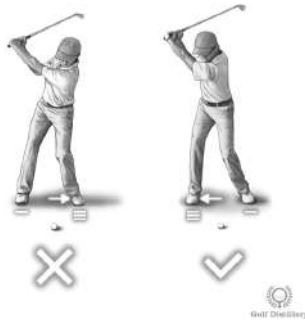

From the moment you address the ball to the moment you reach the top of the backswing your left arm should remain straight. Or in other words, you should focus on not letting your left elbow bend during your backswing. Some

golfers incorrectly do allow that elbow to bend – especially at the end of the backswing – in order to bring the club further back still in the hope of generating more clubhead speed on the downswing.

Weight Transfers to the Right Foot during the Backswing

During the backswing your weight should move towards your back – right – foot. The reverse pivot swing error is characterized by doing the opposite, where the weight of the golfer is moved towards the front foot instead. Carefully moving the weight back and forward again will promote a solid and strong strike at the ball.

"TEES THE SEASON"

Woodford Golf Club is now taking Christmas Party Golf bookings!

For more information, please contact Woodford Golf Shop on 54 961 004.
