## THE IDEALS OF CLUB MEMBERSHIP

The enjoyment of golf relies on the co-operation, consideration and courtesy extended by fellow competitors. What is true of the game also applies to club and membership. The spirit and image of a club is projected by the way its members show respect, courtesy and consideration for one another. This courtesy and consideration should extend to the choice of dress, the standard of conduct on the course and in the clubhouse. The standards of a Golf Club may be judged by the etiquette of its members.

### POINTS TO REMEMBER

- Ensure all Members enjoy their game by observing the Etiquette of Golf.
- Know the Rules of Golf, the Local Rules and the Conditions of Play.
- **Check your allocated time and be ready for play at least ten minutes before your start time.**
- Enter your scorecard through the MiClub terminal in the Clubhouse or Pro Shop within ten (10) minutes of finishing play.

### REMEMBER

***“A FAST GAME IS A GOOD GAME”***

14. Not tarnish the reputation of the club or bring it into disrepute.

### **Application**

The Code applies to members, guests and visitors when they are on club premises. Subject to legal considerations, interpretation of the principles by the Management Committee is final.

### **Compliance**

The Code will be actively monitored by the club. If a breach occurs and is proven, the club will initiate disciplinary action against the relevant member(s), guest(s) and/or visitor(s) concerned, which may include warnings, withdrawal of certain privileges, suspension or termination of membership or denial of access to the club. Any disciplinary action under the Code will be in accordance with the Constitution/Rules and laws applicable to the club. As far as reasonably possible, member(s), guest(s) and/or visitor(s) concerned will be accorded natural justice.

### SILVER CIRCLE, NEAREST TO THE PINS ON PAR 3'S and HOLE IN ONE

In all Woodford Golf Club competitions your competition fees pay for your entry into the following competitions in conjunction with the event run for the day. Your competition fee pays for the following competitions:

**NEAREST TO PIN: Men:** On all Par 3's being the 3rd, 6th, 11th and 17th holes. To win, your ball must come to rest on the green on your first shot (tee shot) closer to the hole than any other eligible competitor. The position of the nearest ball to the hole is marked on the green by a plastic marker. The name of the current holder of the nearest to the pin must be recorded on the nearest to the pin card (next to the green) and must also be signed by the marker.

**Ladies:** Nearest the pin (all in) on Hole 17. 2nd shot on all other Par 3's – graded – as designated at the start of play.

**SILVER CIRCLE:** All members can win the Silver Circle on the 17th Hole (par 3). To win the Silver Circle (or share of), your ball on your first shot (tee shot) must come to rest on the green within the specified distance from the hole. This specified distance is defined by the length from the bottom of the flag stick to the top of the protective plastic covering

(may be black or white). Using the flag stick measure from the edge of the cup (nearest to your ball) to your ball. If any of your ball is inside this distance you have won, the silver circle (or share of). The prize is \$100.00. You must mark the fact that you have won the silver circle on the nearest pin card (next to the green), by writing your name on the card with silver circle written next to or beneath it and having your marker sign it. This must be done at the time the silver circle is won or your prize claim will be waived.

**HOLE IN ONE:** All **members** can win a 'Hole in One'. To be recognised for a 'Hole in One' the players ball on their first shot from the tee box must come to rest in the hole (normally on Par 3's however can be on any hole). If a 'Hole in One' is achieved on a Par 3 you must mark the fact that you have had a 'Hole in One' on the nearest pin card (next to the green), by writing your name on the card with 'Hole in One' written next to or beneath it and having your marker sign it. This must be done at the time of the hole in one or your prize claim will be waived. The ball used should not be used again and kept. All members will receive an appropriate ball mounted trophy, have their name on the Honour Board, and receive \$50.00 credited to their House Account.

## **PRIZES**

The redemption of prizes is the **sole responsibility of all players** and we strongly encourage all members to redeem prizes from their accounts prior to the **30<sup>th</sup> September each year**. To that end players should regularly check on the Woodford Gold Club Members portal or at the Pro Shop to determine if they have won any prizes. The value of each of the players account will also be shown when the player logs into the members portal.

### ***Winners and Runners Up***

All winners and runners up prizes will be put onto the players house account. This money can be spent in the club, bar or Pro Shop.

### ***Balls***

Balls that are won in the ball run down or nearest to pin shots will be allocated to players on their ball accounts. These balls will be credited to the players ball account to a value of \$3.50. This money can be spent at the bar or in the Pro Shop

### ***Pro Pins***

Pro Pin competition is optional for players. All money won in a pro pin will be credited to the players PRO PIN account. This money can only be spent in the Pro Shop.
